SECRETARY'S REPORT

Respected Chief Guest, Members and Distinguished Guests

Like every year, we are here to celebrate 39th Foundation Day of Mahavir International Delhi and share the glorious journey of service to the society. I am here to submit the account of activities of Mahavir International Delhi for the financial year 2016-17.

Sir, the year 2016-17 commenced with the newly elected Board of Directors under the able chairmanship of Shri Ranjan Jain ji, who has been leading the organisation from the front and taking the organisation to greater height. Shri Ranjan Jain ji reposed his confidence in me and assigned me the responsibility of Secretary of this great social service organisation consecutively for the fourth term.

As you all know that MID is running six hospitals in different parts of Delhi to cover each and every corner to reach out to the last person at the bottom of the pyramid. During the year we examined 389127 patients and performed 1219 surgeries. We started our own pathological lab with sponsorship of equipment by Coal India Limited under its CSR initiative. The contribution of Rajdhani Besan Group and Shri Vishnu Sureka, our Director can not be forgotten in bringing up this state of the art Pathological Lab. We have also established our fourth physiotherapy centre at the renovated premises of Rajdhani Hospital in Paharganj with support of Rajdhani Besan Group, who, in fact has been our back bone in bringing up the world class facilities in a charitable setup. I would request all of you to once visit our Hospital at Nabi Karim, paharganj and witness the service we are doing to the society in a wonderful infrastructure. I will be failing in my duty if I donot share with you, the untiring and ruthless efforts of our chairman finance, Shri Ashhok Jain, In bringing up the entire renovated infrastructure with meticulous planning.

Sir, Our core activity of eye care has been further strenthened with setting up the Eye Retina unit at our Rajdhani Hospital with the financial support of ONGC, IGL, BOI etc. The unit will start functioning in the current year. One X-ray unit at our Saket Hospital was installed with the sponsorship of CONCOR and Green Scan Laser at Rajdhani Hospital sponsored by Bank of India.

Sir, during this process of creating new facilities, we have not diverted our focus from organising eye and health checkup camps. During the year under review, we have organised 305 camps in the far flunge areas of Delhi NCR and also out side Delhi. This time again CONCOR took the lead by sponsoring 82 camps along with the suport of our other key sponsors like Central Ware Housing Corporation- CWC (15), Tourism Finance Corporation of India-TFCI (10), Fluor Daniel India Pvt. We have organised 81 camps outside Delhi-NCR with the support of local centres of Mahavir International at Jaipur, Jodhpur, Kota, Ludhiana, Ahmedabad, Vadodara, Surat, Hyderabad, Chennai, Guwahati, Mumbai, Visakhapatnam, Moradabad, Agra etc. I am indebted to all the office bearers of the local centres of Mahavir International for their unstinted and continued support in organising successful camps.
