From the Pen of Chairman

Sh. K. Narayan Chairman
(Former MD, NBCFDC)

Jai Mahavir!

As we end the tenure of the Board of 2023-25, we can look back with satisfaction on our various achievements. First and foremost our spending on our various charitable activities exceeded Rs 8.5 crores in the recently concluded fiscal with nearly Rs. 2 crs being for upgrading our medical infrastructure. This should help us impart quality health care in the coming years!

However while quanta of finance has its significance, more important is its effective use. And on this front too, MID was not found wanting. We created a record of sorts by having as many as 556 community outreach programmes. Also, these were not one-dimensional but on multiple fronts. They included:

- Doctor at Door Step** – *Mega Camps in Delhi NCR – 140*
- Doctor at Door Step** – *Mega Camps outside Delhi NCR – 152*
- Jhanki Nanhi Aankhon Mein** – *School eye and basic health camps – 96*
- Project Janitri** – *Health counselling of pregnant women & lactating mothers - 57*
- MID Anjuman** – *Weekly outreach clinics in slums of Delhi NCR - 111*

Add to this the nearly 2000 cataract correction surgeries that we have conducted or facilitated and the approximately one lakh patients that have been treated in our centres, we have all reasons to feel justified as a holistic health care provider for the underprivileged.

Significantly, MID added a feather to its fulsome cap by taking on and completing a water recharge project in the rain parched district of Alwar at Kathuwas. The first rains have already proved beneficial with water level going up by scores of feet at a few locations!

In backdrop of the above, I feel very privileged and fortunate for once again being a part of the 2025-27 team, which will be carrying forward the various initiatives. Firstly, a fervent prayer to Almighty to continue to shower His grace on our organization so that we continue to do His work.

However, in return for this grace, we also need to step up our interventions. So a humble appeal to all members to please actively participate in our various interventions and more importantly, mingle with our beneficiaries. It needs no emphasis that compassion has to be the cornerstone of an organization inspired by the universal message of Love All Serve All espoused by Lord Mahavir. And towards achievement of this objective, we would need to, not only contribute financially, but also interact and show affection for the various underprivileged whom we attend to. A lot of their distress will be removed by just this simple gesture of ours. More importantly they will get the belief that they are not on the fringes but in the mainstream of the society.

Best wishes to all for a great fruitful journey in the vehicle of loving service!

With Gratitude,

Vir K. Narayan

Mahavir International, Delhi

A Non-Religious Social Service Organization

Who We are & What We Do

Mahavir International Delhi (MID) was established in 1979 and has been engaged in social service activities since its inception.

OUR VISION

Work selflessly and tirelessly towards laying foundation of creating a healthy society with special focus on timely diagnosis of diseases to prevent their aggravation in order to improve overall health of disadvantaged sections of society while aiming for a cataract free Delhi and ultimately, the rest of india.

OUR MISSION

To expand reach and spread of health care facilities by organizing one mobile health check-up Camp a day in rural, remote and Jhuggi clusters areas by empowering people, especially women by creating knowledge and awareness about need for better health and hygiene through sustained publicity and prevention of diseases. Manage and operate more free or affordable medical and diagnostic centers and set up our own eye bank.

OUR MAJOR FOCUS

Mahavir International's primary focus is health care with special emphasis on Eye care. Its motto is 'Love All Serve All' and mission is to make 'Delhi Cataract Free' as the said ailment is the major cause of blindness in the country (66% as per AIIMS report of 2018). It also works towards the elimination of blindness by motivating people for "Eye Pledge" and for "Eye donation" of those who have passed away. We have 3 charitable hospitals in Delhi. Our focus is on quality health services for the underprivileged in the city – including daily wagers, street vendors, migrant labour and their families with care, concern and compassion. OPD services are provided at nominal registration fee, along with free medicines and diagnostic tests at highly subsidized rates.

OUR OTHER SIGNIFICANT PROJECTS

1. DOCTOR AT DOOR STEP

“If patients can't reach the Doctor then Doctor must reach the Patients” - MID

Under our flagship project 'Doctor at Doorstep', by the end of this financial year, we have organized more than 4,200 free check-up camps, resulting in over 17 lakh consultations. Out of these, 400 camps and more than 1,40,000 consultations were conducted in FY 2024–2025 alone. These health check-up facilities are offered either in remote locations with limited access to quality healthcare or at locations in and around the premises or operations of our sponsors. The services provided during these camps include consultations with general physicians, lady doctors, eye specialists, optometrists, along with ECG and blood tests as required, and the distribution of medicines and spectacles. Patients diagnosed with cataracts are further facilitated with free or subsidized corrective surgeries at MID centers or our affiliated hospitals. Acknowledging the impact of these camps in terms of taking health care to the Doorstep of the poor, various leading Business and Corporate Houses including Public Sector Enterprises and Bank have come forward to give us grant for conduct of the same. They include **ONGC, IOCL, HPCL, GAIL, IGL, PETRONET LNG LTD., EIL, CONCOR, RITES, ALIMCO, NBCFDC, NSFDC, SAFEXPRESS, RAJDHANI FLOUR MILLS, VIBES, MARC** and others.

2. JHAKHE NANHI AAKHO MEIN (>kads uUgh vkj[kksa esa)

Mahavir International recognises the need for early vision correction in the underprivileged children in absence of which other than suffering from health issues, their education also suffers. In earlier years MID Participated in Chacha Nehru Sehat Yojana of Delhi Government. Mahavir International has re-launched the project in a slightly modified form under the tag **“JHAKHE NANHI AANKHO MAIN”** in this project Mahavir International is organizing camps in schools run by MCD and other NGO's to carry out prompt vision correction by provision of spectacles in a timely manner. During the **F Y 2024-25**, 91 such camps were organised resulting in check up of more than **19,082 students** and distribution of nearly 2000 spectacles.

3. SWABHLAMBAN (LokoyEcu)

Under the new initiative “SWABHLAMBAN” MID in its effort to empower the unemployed women in and around its centers is carrying out the following interventions:-

a. Sewing Training

MID has affiliated with **Singer** to provide up to six months of training in apparel production for underprivileged women living around its center at Nabi Karim. A total **137 women** have been trained till date. Further to encourage their entrepreneurial instincts, they have participated in fashion show as also in exhibition and sale of their products.

b. General Duty Assistants

Another such initiative has been the training of under privileged women as “General Duty Assistants”. The first course was started on 25th April, 2022 and till date **143 students** have been trained and certified by Apollo Mediskills. Almost all the trained beneficiaries have also been provided internship opportunities, with some carrying on in job.

c. Swasthya Saheli (LokLF; lgsyh)

MID had taken-up the project SWASTHYA SAHELI for women where a trained GDA's are providing counseling on menstruation and women health issue as menstruation and breast feeding at our centres. Since it is start in March, 2023, nearly **35,568** women have been benefited with these services. VIRA VISION & THEIR ACTIVITIES

"Vira Vision" as the name suggests, comprises of a group of women members of MID working with compassion for all underprivileged in general and for women in particular. We adopt and implement some of the national projects initiated by MI Apex besides running our own local projects. There were three board meetings held of Vira Vision. Some of notable activities are enlisted below...

1. MOTHER & CHILD CARE under which we undertake distribution of baby kits for new born and sanitary napkins for mothers at government hospitals besides counseling the latter on cleanliness/hygiene.

2. SWABHLAMBHAN project, to vocationally empower women. This programme includes Sewing Classess being conducted in coordination with Singer .These training programmes are being conducted at our centres and till date 137 women especially youth have benifitted from these initiatives.

3. SWASTHYA SAHELI is another novel project to counsel women who visit our three centres on menstrual hygiene and breast feeding. Further, the counselling is done by women trained as General Duty Assistants as part of our Swavalamban project. Since its inception in March 2023, around 28,252 for Menstrual Hygiene & 7,316 for Breast feeding women have benifitted from this initiative till March 2025.

4. OTHER WELFARE ACTS which are carried out round the year such as Khushiyon ka Bazaar involving sale of cloths and other consumables against a token price, support to institutions caring for Alzheimer patients, financial aid for patients with limited means etc.

5. PROJECT JANETRI is our latest initiative to spread awareness of pre and post natal issues to pregnant women and new mothers through special workshops being planned at our centres. This includes distribution of baby kits and nutrients to the attendees. Total No. of 4,026 Pregnant and Lacting Mothers got benifitted through this initiative.

Another redeeming feature of these interventions is that the Viras personally contribute to support these impactfull projects and also interact one on one with the beneficiaries making them feel loved.
