जय महावीर

2023-2025 के सत्र के पहले प्रकाशन के लिए मैं, हमारे नव निर्वाचित-निदेशक प्रकाशन-श्रीमती सुनीता सिंघल और उनके कर्मठ सम्पादकीय समिति के हर सदस्य का अभिनन्दन करता हूँ।

हमारे 2022-23 के लेखा अब तैयार हो चुके हैं, अतः गत दो वर्ष के कुछ आंकड़े प्रस्तुत करना उचित समझता हूँ :

Total consultations in OPDs	– approx. 1.9 lakhs
Total cataract surgeries	– 2488
Total camps	– 487
Total consultations in camps	– 2 lakhs approx
Total receipts	– 13 Crs approx
Total expenses	– 12.3 Cr approx

मुख्यतः 2022-23, जो कि COVID pandemic के बाद का पहला normal year था, में MID ने नए कीर्तिमान स्थापित किये हैं – जिनमें कुल 1394 मोतियाबिंद के surgery, 354 medical camp और OPD से कुल 1.33 Crs की लागत विशेष उपलब्धियां हैं। हमारे अच्छे fiscal management के चलते cash reserves में भी कुछ बढ़ोत्तरी हुई है।

MID ने न केवल चालू पहलों में विशिष्ट कार्य किया, परन्तु नये पहल भी प्रारम्भ किये-जिनमें 'ज्ञांकें नहीं आँखों में' -विद्यालयों में नेत्र जांच, 'स्वावलंबन'-सिलाई प्रशिक्षण, युवकों के लिए GDA (General Duty Assistant) training, फ्री OPD और 'स्वस्थ सहेली'-स्त्री सम्बन्धी सलाह कार्यक्रम शामिल है। बवाना में MID अंजुमन नाम से एक नया केंद्र भी खोला गया।

इन सब उपलब्धियों के लिए मैं समस्त MID परिवार को बधाई देते हुए, विशेष कर हमारे active donors और सचिव वीर अरुण जैन और निदेशक चिकित्सा सेवाएं-ब्रिगेडियर (डॉ.) रविंदर सिंह भाटिया के नेतृत्व में उनके dedicated team को हार्दिक धन्यवाद देता हूँ।

आने वाले सत्र में अपने सेवाओं को और उंचाई तक ले जाने का एक सपना है। इसके लिए सर्व प्रथम वित्तीय सहायता की आवश्यकता है। अतः सभी सदस्यों से एक वार्षिक राशि की हमें अपेक्षा है। साथ ही सभी सदस्य से यह भी अनुरोध है कि हमारे कार्यक्रमों में भाग लेते हुए और समय-समय पर सेंटर visit करते हुए, MID working team का मनोबल बढ़ायें।

आशा करता हूँ कि सभी के सहयोग से 2022-23 का सत्र MID के लिए अविस्मरणीय रहेगा। अंततः 45वीं स्थापना दिवस पर बहुत-बहुत बधाई और आपके खुशहाली के शुभकामनाओं के साथ

आपका के. नारायण

Mahavir International, Delhi

A Non-Religious Social Service Organization

Who We are & What We Do

Mahavir International Delhi (MID) was established in 1979 and has been engaged in social service activities since its inception.

OUR VISION

Work selflessly and tirelessly towards laying the foundation of creating a healthy society with special focus on timely diagnosis of diseases to prevent their aggravation in order to improve overall health of disadvantaged sections of society while aiming for a cataract free Delhi and ultimately, the rest of India.

OUR MISSION

To expand reach and spread of health care facilities by organizing one mobile health check-up Camp a day in rural, remote and slum areas by empowering people, especially women by creating knowledge and awareness about the need for better health and hygiene through sustained publicity and prevention of diseases. Manage and operate more free or affordable medical and diagnostic centers and set up our own eye bank.

OUR MAJOR FOCUS

Mahavir International's primary focus is health care with special emphasis on Eye care. Its motto is 'Love All Serve All' and mission is to make 'Delhi Cataract Free' as the said ailment is the major cause of blindness in the country (66% as per AIIMS report of 2018). It also works towards the elimination of blindness by motivating people for "Eye Pledge" and for "Eye donation" of relatives of people after their death. We have 3 charitable hospitals in Delhi. Our focus is on quality health services for the underprivileged in the city – including daily wagers, street vendors, migrant laborers and treating their families with care, concern and compassion. OPD services are provided at nominal registration fee, along with free medicines and diagnostic tests at highly subsidized rates.

OUR OTHER SIGNIFICANT PROJECTS

1. DOCTOR AT DOOR STEP

Under our flagship project 'DOCTOR AT DOORSTEP,' we have organized more than 3578 free check-up camps resulting in more than 54 lacs consultations. Here, health checkup facilities are offered either in remote locations with limited access to quality health care or at locations in and round the premises or operations of our sponsors. The services offered in these checks include consultation by general physicians, female doctors, eye specialists, optometrists, ECG, blood tests as well as distribution of medicines and spectacles. Those detected with cataract are thereafter provided with free / subsidized correction surgeries at centers of MID or our affiliates.

Acknowledging the impact of these camps in terms of taking health care to the Doorstep of the poor, various leading Business and Corporate Houses including Public Sector Enterprises and Banks have come forward to give us grants for conducting the same. They include **CONCOR, RITES, GAIL, IOCL, EIL, ONGC, ALICMO, CWC, SAIL, NBCFDC, NMDFC, NSKFDC, TFCI, FLUOR DANIEL INDIA PVT LTD, RAJDHANI BESAN GROUP, SAFEXPRESS, VIBES.**

2. JHAKHE NANHI AAKHO MEIN (झांके नन्ही आँखों में)

Mahavir International recognises the need for early vision correction in the underprivileged children. Otherwise, apart from suffering from health issues, their education also suffers. In earlier years, MID Participated in the Chacha Nehru Sehat Yojana of Delhi Government. Under this scheme, we carried out comprehensive health check up and health counseling to students of 12 schools covering nearly 5812 students.

Recently, Mahavir International has re-launched the project in a slightly modified form under the tag “झांके नन्ही आँखों में”. In this project, Mahavir International is organizing camps in schools run by MCD and other NGOs to carry out prompt vision correction by provision of spectacles in a timely manner. During the FY 2022-23, 29 such camps were organized, resulting in check up of more than 3000 students and distribution of nearly 650 spectacles.

3. SWABHLAMBAN (स्वावलम्बन)

Under the new initiative “SWABHLAMBAN” MID in its effort to empower the unemployed women in and around its centers is carrying out the following interventions:-

a. Sewing Training

MID has affiliated with ‘Singer’ to provide up to six months of training in apparel production for underprivileged women living around its center at Nabi Karim. A total of 52 women have been trained till date. Further to encourage their entrepreneurial instincts, they have participated in fashion shows as well as in exhibition and sale of their products.

b. General Duty Assistants

Another such initiative has been the training of underprivileged women as “General Duty Assistants”. The first course was started on 25th April, 2022 and till date 71 women have been trained and certified by Apollo Mediskills. Almost all the trained beneficiaries have also been provided internship opportunities, with some carrying on in jobs.

c. Swasthya Saheli (स्वास्थ्य सहेली)

MID had taken-up the project SWASTHYA SAHELI for women where trained GDA's are providing counseling on menstruation and women health issues such as menstruation and breastfeeding at our centers. Since its start in March 2023, nearly **10000 women** have been benefited with these services. We are also generating ABHA Cards for patients who visit our centers, which will entitle them to avail benefits under PM Jan Arogya Yojna (PM-JAY). Till date nearly **400** ABHA cards have been generated.

OUR CORE CENTRES

VIRA VISION

& THEIR ACTIVITIES

"Vira Vision" as the name suggests, comprises of a group of women members of MID working with compassion for all underprivileged in general and for women in particular. We adopt and implement some of the national projects initiated by MI Apex besides running our own local projects. There were three board meetings held of Vira Vision. Some of notable activities are enlisted below...

1. MOTHER & CHILD CARE under which we undertake distribution of baby kits for new born and sanitary napkins for mothers at government hospitals besides counseling the latter on cleanliness/hygiene.

2. SWABHLAMBHAN project, to vocationally empower women. This programme includes Sewing Classes being conducted in coordination with Singer. These training programmes are being conducted at our centres and till date 49 women especially youth have benefitted from these initiatives.

3. SWASTHYA SAHELI is another novel project to counsel women who visit our three centres on menstrual hygiene and breast feeding. Further, the counselling is done by women trained as General Duty Assistants as part of our Swavalamban project. Since its inception in March 2023, around 7290 for Menstrual Hygiene & 3608 for Breast feeding women have benefitted from this initiative till October 2023.

4. OTHER WELFARE ACTS which are carried out round the year such as Khushiyon ka Bazaar involving sale of cloths and other consumables against a token price, support to institutions caring for Alzheimer patients, financial aid for patients with limited means etc.

5. PROJECT JANETRI is an upcoming initiative to spread awareness of pre and post natal issues to pregnant women and new mothers through special workshops being planned at our centres. This will include distribution of baby kits and nutrients to the attendees.

6. PERFORMANCE

- 50 School Bag Distributed in Delhi.
- 200 Ration Bags, Delhi.
- 150 Baby Kits to New Born Babies Safdarjung Hospital, New Delhi.
- 2000 Sanitary Pads to Their Mother at Safdarjung Hospital, New Delhi.
- Special Lunch /Dinner to 1295 Alzheimer/Mentally retarded patients, Delhi.
- 100 Woolen Baby Kits, Delhi.

Another redeeming feature of these interventions is that the Viras personally contribute to support these impactfull projects and also interact one on one with the beneficiaries making them feel loved.

Vira Vision hopes to carry on with the above initiatives as also new ones with the spirit of 'Love All Serve All' in the coming times.
