Hope For Light
9th November 2024

From the Pen of Treasurer

Jai Mahavir

This is so profoundly written:

**" Somewhere between
'10 toffees for 1 rupee' and
'1 toffee for 10 rupees', we grew up.**

Somewhere between

'Ground mai aaja' and 'Online aaja', we grew up.

Somewhere between

'Stealing chocolate from our sister' and 'Buying chocolate for her children', we grew up.

Somewhere between

'Just five more mins Maa' and 'Pressing the snooze button', we grew up.

Somewhere between

'Crying out loud just to get what we want' and 'Holding our tears when we are broken inside', we grew up.

Somewhere between

'I want to grow up' and 'I want to be a child again', we grew up.

Somewhere between

'Lets meet and plan' and 'Lets plan and meet', we grew up.

Somewhere between

'Being afraid of our parents' and 'Praying for our parents', we finally grew up.

And as we grew up, we realized

how silently, our lives have changed... "

I received this heartfelt message somewhere. It left me nostalgic about our carefree days of the past and responsible about our duties now, at the same time.

As the year 2024 comes to a close, let's take time to reflect on the memories, accomplishments and lessons learned. Talking about the performance during the first 6 months of this financial year, we have:

- Increased our number of camps by 153% and its patients by 138%.
- Number of patients in the hospitals witnessed a decline of 7% compared to the numbers in the same period last year.
- Revenue collection was lower by 4% in comparison to collections in the same period last year. However expenses increased by 17%.

The evergrowing MID family tree is also larger by 3 members and now we are at 413.

We celebrated both of our annual functions of this year with great enthusiasm and zeal.

One of our highlight events, the 'Eye Care Day', dedicated to promote eye health and provide care to those in need, was a huge success.

In November, this time around, 'Eye Care Day', was celebrated as a musical evening and it was a grand success too. Sh. Rahul Himalian, Director, IRCTC, was there as our Chief Guest. His cheerful presence, wisdom and simplicity filled our hearts with delight and optimism.

Eye Care Day is a shot in the arm for MID in terms of finances as it immensely helps to run our hospitals efficiently and effectively, by all means.

All this was a result of the selfless devotion and passion of our Chairman Finance, mentorship of the Chairman and our strategically mindful Secretary.

I offer my HUGE thanks to our amazing donors and sponsors! Your support means the world to us.

As the treasurer, I am honored to contribute to our organization's mission. In this role, I ensure that our precious resources are utilized in the most potent way possible.

May the incoming year be filled with hope, joy and prosperity. May also our hearts be filled with love, kindness and compassion for one and all.
