## OATH TAKING CEREMONY

BOARD OF DIRECTORS 2025-27

## Chairman's Desk

**Jai Mahavir!**

As we end the tenure of the Board of 2023-25, we can look back with satisfaction on our various achievements. First and foremost our spending on our various charitable activities exceeded Rs 8.5 crores in the recently concluded fiscal with nearly Rs. 2 crs being for upgrading our medical infrastructure. This should help us impart quality health care in the coming years!

However while quanta of finance has its significance, more important is its effective use. And on this front too, MID was not found wanting. We created a record of sorts by having as many as 556 community outreach programmes. Also, these were not one-dimensional but on multiple fronts. They included:

- |                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| <b>Doctor at Door Step</b>       | – Mega Camps in Delhi NCR – 140                                 |
| <b>Doctor at Door Step</b>       | – Mega Camps outside Delhi NCR – 152                            |
| <b>Jhanki Nanhi Aankhon Mein</b> | – School eye and basic health camps – 96                        |
| <b>Project Janitri</b>           | – Health counselling of pregnant women & lactating mothers - 57 |
| <b>MID Anjuman</b>               | – Weekly outreach clinics in slums of Delhi NCR - 111           |

Add to this the nearly 2000 cataract correction surgeries that we have conducted or facilitated and the approximately one lakh patients that have been treated in our centres, we have all reasons to feel justified as a holistic health care provider for the underprivileged.

Significantly, MID added a feather to its fulsome cap by taking on and completing a water recharge project in the rain parched district of Alwar at Kathuwas. The first rains have already proved beneficial with water level going up by scores of feet at a few locations!

In backdrop of the above, I feel very privileged and fortunate for once again being a part of the 2025-27 team, which will be carrying forward the various initiatives. Firstly, a fervent prayer to Almighty to continue to shower His grace on our organization so that we continue to do His work.

However, in return for this grace, we also need to step up our interventions. So a humble appeal to all members to please actively participate in our various interventions and more importantly, mingle with our beneficiaries. It needs no emphasis that compassion has to be the cornerstone of an organization inspired by the universal message of Love All Serve All espoused by Lord Mahavir. And towards achievement of this objective, we would need to, not only contribute financially, but also interact and show affection for the various underprivileged whom we attend to. A lot of their distress will be removed by just this simple gesture of ours. More importantly they will get the belief that they are not on the fringes but in the mainstream of the society.

Best wishes to all for a great fruitful journey in the vehicle of loving service!

**With Gratitude,**

**Vir K. Narayan**
