## From the Pen of Chairman

Jai Mahavir,

As I write this message mother earth seems to be in a state of unprecedented turmoil. War clouds are hanging over various parts of the world. Our country too, had to engage in a battle with its neighbour barely a month ago.

While a lot of what is happening outside is not in our control, each of us can best serve our cause and that of the world around us, by looking at the perpetual war within – between the shrill voice which shouts I, me and mine and the one which calmly says ‘वसुधैवकुटुम्बकम् – यानी पूरा विश्व मेरा परिवार है’. Needless to say if humanity has to return to a collaborative and respectful living the second voice within each has to prevail. And herein lies the importance of organisations like MID where the motto is always to see the oneness in all and hence love and serve whoever comes our way. Our centres and clinics are functioning in areas dominated by people of various communities – be it from East India, Rajasthan, Minorities, or from central India – the common strain in all being that they look to us with trust. A huge thanks to our dedicated team of social workers who have fostered this trust among our beneficiaries.

Recognising the contribution of our soldiers, who conquer not through arms but sheer सेवा भाव, MID has taken a few steps to make their professional life more structured. Heartfelt gratitude to our Secretary and Director HR & Admin for coming with a HR manual – a document which will do even a corporate proud. Thanks is also due to family of one of most dedicated members of MID of yore – Late Sukhmal ji, for starting the Sukh Santosh Foundation which will be awarding our manpower periodically and encouraging them for their dedicated working. The awards for the best performers of 2024-25 are planned to be given in the Foundation Day event planned for the July 13th in front of their families. An earnest request to all of the MID fraternity to be present for this event.

I have purposely desisted from writing on the achievements of MID in my message this time around so that the attention can remain on the achievers or the MID team, who epitomise the quality of compassion, which though rare in today's turbulent times, is also the need of the hour. Safe to say, thanks to the dedicated efforts of our Executive Chairman and other senior members, we have been able to space out our projects and continue with our various initiatives even in the first quarter of the year, which is otherwise seen as a lean period. We have also turned a new leaf by commencing tutorial education for the middle school and high school children in and around Nabi Karim

Once again a solemn request to all members to spare their time, money and resources for furthering our various initiatives.

- Vir K. Narayan

## MID STRIDES AHEAD IN EDUCATION

### Empowering Young Minds : Launching of Tuition Classes for Underprivileged Students

In April 2025 MID launched tuition classes for **Classes VI to IX** with the objective of improving the educational prospects of underprivileged children. The program has the crucial backing of **Daya Gopal Amrit Trust founded by our longtime cherished donor - Late Shri Subhash C Bhatia and now being run by his family**, reflecting a shared commitment to social development and educational equity.

The initiative offers free tuition classes for students of classes VI to IX in the premises of **Rajdhani Charitable Eye & Medical Centre located at Nabi Karim**. The program has been specifically designed to support students who lack access to adequate post school tutorial or parental support. These classes are conducted by a team of **well qualified specialist teachers**, ensuring students receive top-quality instruction and guidance. At the same time all out efforts will be made to maintain a certain level of commitment and sincerity of the students and make the classes aspirational for the nearby community.

In addition to academic support, the initiative aims to motivate and inspire students to pursue learning with dedication and confidence in themselves. Additionally, we offer extracurricular activities such as English speaking classes and other skill-enhancing sessions for their holistic development.

By providing both resources and encouragement, **Mahavir International Delhi** and **Daya Gopal Amrit Trust** have come together to **create a nurturing environment for future changemakers**. This noble endeavour is a shining example of how community collaboration can drive real change and open doors to brighter future for underprivileged children.
